COMMUNICATOR

"As my tour comes to an end, I continue to be inspired by all that you do. I am proud and humbled to have been the commander of Marine Forces Reserve. You are truly the 'shock absorber' ready force for the Active Component. Make the right decisions in your daily lives, be safe, and Semper Paratus!"

Lt. Gen. Steven A. Hummer

Commander, Marine Forces Reserve & Marine Forces North

YELLOW RIBBON REINTEGRATION PROGRAM

THE MISSION

To promote the well-being of Reserve service members and their families by connecting them with resources throughout the deployment cycle.

For COMMANDING OFFICERS

- The Yellow Ribbon Program is legislation that mandates each service to provide deployment cycle support training and access to resources for Marines, sailors and their families.
- Marines, sailors and families belonging to MARFORRES who have been deployed OCONUS for longer than 90 days and up to 180 days after deployment are eligible.
- The YRRP is the responsibility of the commanding officer at each unit to ensure all Marines, to include individual augmenters, receive the YRRP training during their period of eligibility.
- Further guidance is available at:
 - Public Law 110-181
 - DoDI 1342.28
 - MCO 1754.9a chapter 7
 - FPL 11-12
- For any additional questions, commanding officers are encouraged to contact their major subordinate command's family readiness officer.

1. Pre-deployment training and support focuses on providing education and information that ensures readiness of the unit, their families, employers and the affected communities for the rigors of deployment life and challenges of family separation.

Topics will focus on, but are not limited to: Tricare, pre-deployment health assessments, suicide prevention, Employer Support of the Guard and Reserve, counseling and planning, financial counseling, savings plan, power of attorney briefs, will and estate planning, legal guardianship, family care plans, marriage enrichment and chaplain programs.

2. Deployment training focuses on supporting and enhancing the resilience of the family. Deployment training reinforces spiritual and mental health, outreach, family services, youth programs, community, informational updates about the deployment and operational stress control.

3&4. Demobilization and post-deployment trainings focus on the service member and family during the reintegration back to their command and community. Service members and their families are provided information and access that assists in understanding the challenges that may occur after prolonged separation and/or combat stress. This training is tailored to facilitate a successful transition, reunion and long-term reintegration. Training will take place at approximately 30-, 60- and 90-days following demobilization. Service members remain eligible up to 180 days after demobilization.
